Status

The English Clergy Association is an unincorporated association which exists to support in fellowship all Clerks in Holy Orders in their Vocation and Ministry within the Church of England as by law established. It seeks to be a mutual resource for clergy, patrons and churchwardens requiring information or insight, to monitor and make representations, as appropriate, on bureaucracy and legislative and other processes of change in the Church; and to promote in every available way the good of English parish and cathedral life and the welfare of the clergy.

Contact with the Association may be made through the addresses given on the Association's website.

The English Clergy Association Benefit Fund is a registered charity (no. 258559), which gives holiday grants to clergy of the Church of England to enable them to take a rest from duty. In 2022 a total of £31,200 was granted to 52 clergy.

The fund operates under a Charity Commission scheme dated 14 December 1994. The Chairman and Almoner of the Association are *ex officio* Trustees. The other Trustees are appointed by the Council for a term of four years, subject to approval by the Trustees. Separate accounts are prepared for the Benefit Fund as required by law.

Review of the year

The Association's journal *Parson and Parish* will now be published at the beginning of each year. As a result, only residual costs appear in this year's accounts.

The Council has made representations on various proposals before the Church of England as they affect the ministry of clergy and parishes, including terms of service, patronage, and the distribution of central financial support.

Future developments

The Council continues to seek to widen the membership of the Association, and to make known to all clergy of the Church of England the grants available through its charitable trust.

The Association seeks to keep its members informed of legal and other developments that may affect the position of clergy as well as making representations where appropriate in the press and more directly, as required.
