### **Status**

The English Clergy Association is an unincorporated association which exists to support in fellowship all Clerks in Holy Orders in their Vocation and Ministry within the Church of England as by law established. It seeks to be a mutual resource for clergy, patrons and churchwardens requiring information or insight, to monitor bureaucracy and legislative and other processes of change in the Church; and to promote in every available way the good of English parish and cathedral life and the welfare of the clergy.

Contact with the Association may be made through the addresses given on the Association's website.

The English Clergy Association Benefit Fund is a registered charity (no. 258559), which gives holiday grants to clergy of the Church of England to enable them to take a rest from duty. In 2018 a total of £25,960 was granted to 70 clergy.

The fund operates under a Charity Commission scheme dated 14 December 1994. The trustees include, *ex officio*, the Chairman and Almoner of the Association and others elected by the Trustees on the nomination of the Council to serve for a term of four years. Separate accounts are prepared for the Benefit Fund as required by law.

### **Review of the year**

During the year the Association continued to publish its magazine *Parson and Parish*. The Council met on three occasions, and the Annual General Meeting was again held in London, on 15 May.

The Association records its debt of gratitude to the Rt Rev'd and Rt Hon. Lord Chartres for his service as its Patron for many years. The Council learnt with pleasure that his successor in the See of London, the Rt Rev'd and Rt Hon. Dame Sarah Mullally, has agreed to become our new Patron.

### **Future developments**

The Council continues to seek to widen the membership of the Association, and to make known to all clergy of the Church of England the grants available through its charitable trust.

The Association seeks to keep its members informed of legal and other developments that may affect the position of clergy as well as making representations where appropriate in the press and more directly, as required.
