

SUBSCRIPTIONS

A note from the Treasurer

It has become apparent from our updated membership database that the Association has not received subscriptions from a number of those listed in the database. We think this situation has arisen over a number of years and I write now to ask members to assist us in realising our correct subscription income.

A few members pay with a yearly cheque, but the vast majority use a Standing Order.

The Council has asked me to request each of our members to check that their Standing Order is up to date and actually operative. As it is now possible with online banking to set up or amend a Standing Order directly, those using online banking are requested to check their account. Other members may prefer to obtain a form from the Treasurer.

The banking details are as follows:

Coutts & Co, 440 Strand, London WC2R 0QS

Sort Code 180002

Account no. 02129949

Account name The English Clergy Association

Those setting up a Standing Order are requested to make it operative on 1 February each year, backdated to this year 2019 if necessary.

The current subscription rate is £15 (£7.50 for retired members).

The Treasurer would be helped if those revising their Standing Order, or making a new one, could please let him know at petr867@gmail.com or at 4 St John's Road, Windsor, Berkshire SL4 3QN.

Thank you for your assistance.

Canon Peter Johnson, Treasurer
